**LISTS FOR 2010 –
2011**

Several hours have been spent preparing the lists of ushers greeters, lay readers, fellowship providers, nursery workers, drivers and communion workers. We hope that anyone who would like to help in these ways has been included but if your name is not on the list that you are not on the list for a job that you would like please notify Jim Greening, or the church office and we will gladly add you. Each of the jobs especially the nursery is important for successful and meaningful worship. If you are unable to perform your duties on an assigned day please find a substitute and notify the church office as far in advance as possible.
