Dear Friends in Christ,

We had a successful Ice Cream Social thanks to everyone's help. Now it's July and our other big summer event is coming up - Vacation Bible School, aka VBS. This too is an event that requires help from lots of people in order to be successful. Some of you may be thinking, "Well, Vacation Bible School is an event for kids and I'm too old to help with that." So I want to encourage all of you to think about VBS this year differently and I'll tell you why.

Many people think that church is about belief and personal salvation, but not about care for the welfare of community as a whole. The Bible though, both in the Old Testament and the New Testament, is filled with God's call to engage in justice and mercy, and to love neighbor as self. Throughout its history, the people of Zion have taken that call seriously, in many ways. For instance...

In the past members of Zion have been instrumental in establishing the hospital in Peru and serving on its board. The hospital has been through some rough times in recent years, (as have hospitals in many smaller communities) but it has survived (been resurrected?) and is now part of a larger faith based health care system. But without the vision and stewardship of those people who started and maintained the hospital for all those years there would have been nothing to build up today. Zion helped make it possible.

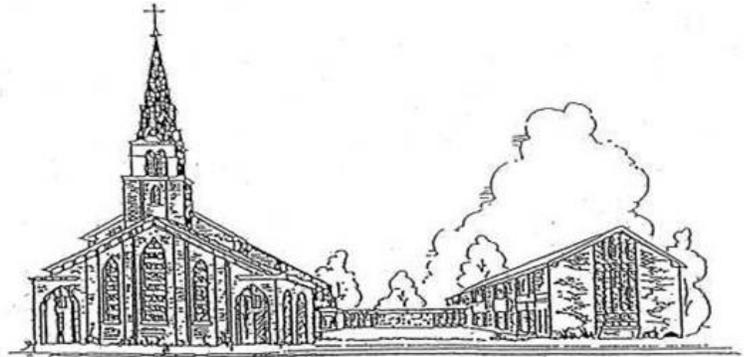

People from Zion were instrumental in establishing the Illinois Valley Food Pantry and continue to be involved in its leadership. Jim Greening was on the board for years and now Pastor Alex is on the board. The food pantry today serves an average of 1500 people a month and is now preparing to move from rented space that was too small into a permanent home which is large enough to do the job efficiently.

When PADS (Public Action to Deliver Shelter) was a new program in our area Zion was one of the seven churches in on the ground floor. We continue to support the shelter and Lily pads, the resale shop which raises money for the shelter. Some of our members have volunteered there. Other individual members volunteer at animal shelters, with scout troops, and in other community organizations.

Think about VBS as a community outreach event. This year our theme is being Stewards of Creation. The health of the environment is of importance to every person. Everything that the kids will learn will, we hope, will help them understand that God wants us to care for the earth, our mutual home. **We are also hosting an event that is open to the public as part of VBS. The evening of Tuesday July 29 the NORTHERN ILLINOS RAPTOR CENTER will be giving a presentation which will involve live birds and numerous displays.** This event is a great opportunity to introduce people to Zion as a church

that takes carrying for the wider community seriously. I urge you to invite you friends and neighbors to attend. I ask that you please sign up to help with hospitality for that event. We'll need greeters at the doors and people to prepare and serve cookies and lemonade. Jesus says we should let our light shine as a way of leading people to its source. Let's make this opportunity shine brightly!

Yours in Christ's service, Pastor Kay
